You're My Rock

You're My Rock Now (You're my)
You're my Rock now Jesus (Rock)
It's alright now (You're my)
You're my Rock (You're my Rock)
You're my Rock now, Lord

Chorus 1

Jesus, You're my Rock (You're my Rock now Jesus...)
Jesus, You're my Rock (you're my)
You're my Rock now, Lord

I was standn' on my own might,
I was standn' on the shaky ground.
Lookin' left, lookn' right,
There was trouble all around.

But, Jesus is my refuge
He's a strong and mighty tower.
What can any man do to me
When I'm standin' on the Rock?

Chorus 2

Jesus, (You're my Rock now, Lord)
You're my Rock (You're my Rock now, Jesus)
Jesus, (oh, yeah – it's alright now)
You're my Rock (you're my)

You're my Rock now, Lord

You who pursue righteousness,
All who call upon the Lord.
He will be nothing less
Than a shield and a mighty sword.

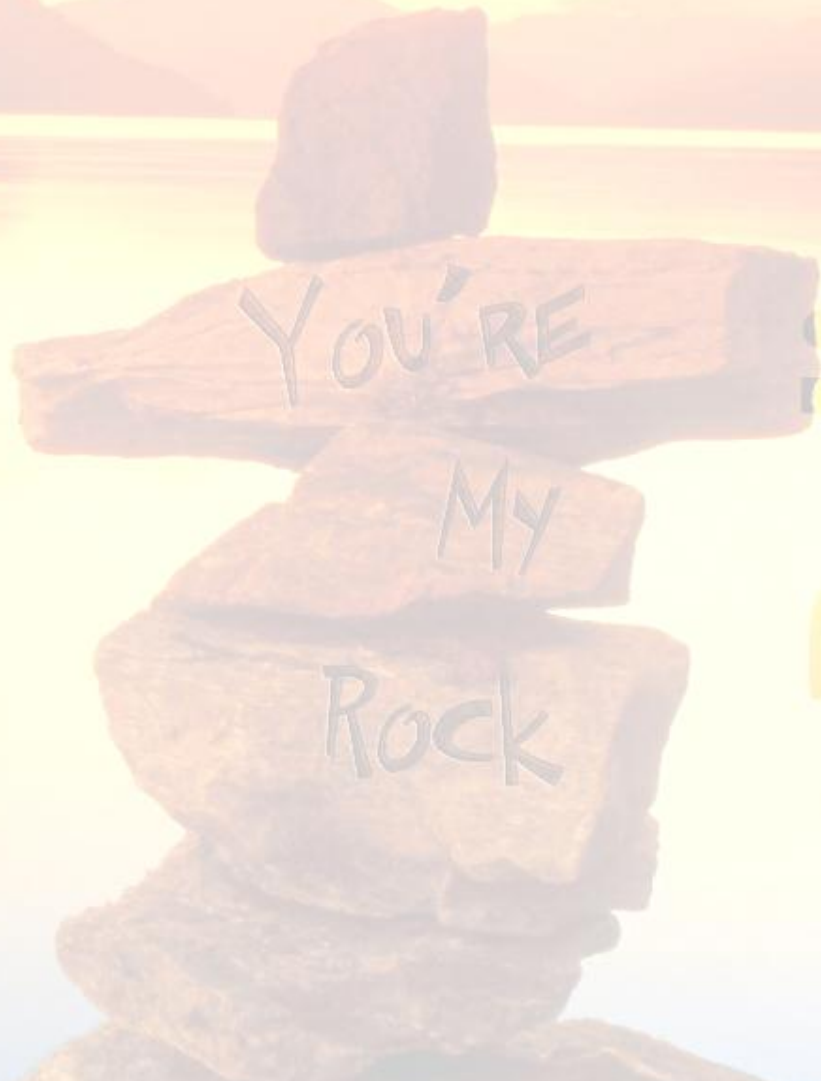

Don't you know that you come from
Heaven's Rock that is on high?
What can any man do to you,
When you're standin' on the Rock?

Jesus – my Rock
Jesus, You're my Rock

(Repeat Chorus 2)

You're my Rock now, Jesus

Jesus, You're my Rock (You're my Rock now Jesus...)
Jesus, You're my Rock (It's Alright now)

Thank You

Words I know could never really say
How I feel in my heart
I keep searchin' for a better way
To say, "How great You are"!

I know You are more worthy than
All I can give You

[Chorus]

So I thank You
For giving Your Son
Oh how I thank You
For Your mercy and love

When I call Your name,
You always hear me
And You never let me down,
'Cuz You promised me
You'll always be around.

I remember how I used to be
My life so full of pain.
I'm so thankful that You rescued me
I'll never be the same.

The path to righteousness I've found
Leads straight to You

(repeat chorus)

Now I celebrate a living King.
I serve a risen Lord.
He's become to me my everything
And now my soul's restored.

Because of what He's done, I'll live
A life of worship.

(repeat chorus)

It's Alright

Hey, come'n listen. Somethin's a'missin'.
How come your life don't
Match the words ya say?
Ya live a lie every day. Oh, yeah.

You turned a corner,
Stumbled away,
Hear Him a'callin',
Turn and go the other way.

It's alright. It's alright. Oh, it's alright.

You say ya love the Father,
But ya hate your brother.
Way don't ya see your
Love has all been blown away.

Oh, no that ain't right.
Unh, Unh

Proud ya got religion
But, why don't you see?
What ya need is relationship.
That's what everybody needs.

It's alright. Ain't that right. Oh, it's so right.
I Got ta, Got ta, Gotta get it right now.

Chorus

Jesus hears you when you call,
Jesus knows it when you fall.

Sin loses meaning
At the center of His will,
Just keep on leaning on
The fact He loves you still.

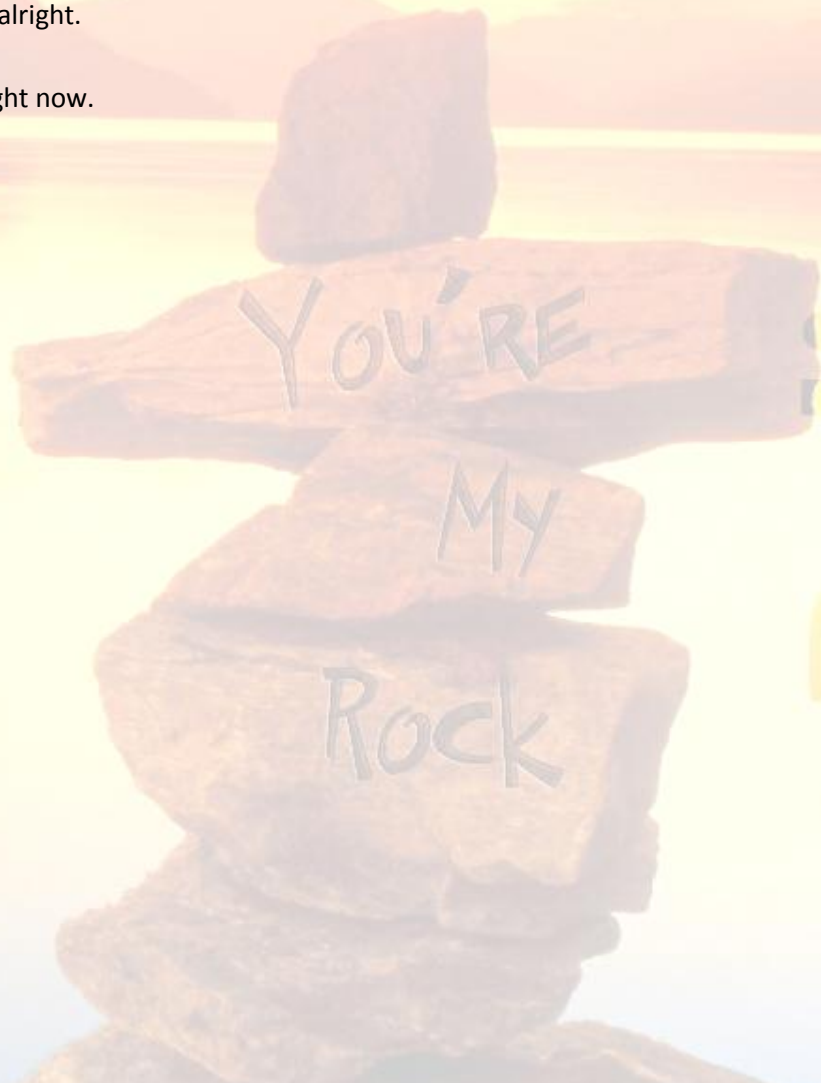

It's alright. It's alright. Oh, it's alright.
I Got ta, Got ta, Gotta feel it right now.

Hear His callin'. Stop this crawlin'
Why don't ya stand up
And choose the better way?
Oh your Livin' it every day. Oh, yeah.

Down round the corner,
Stumble back in,
Here's where you find you're
Truly free from all your sin.

It's alright. It's alright. Oh, it's alright.
It's alright. It's alright.
I Got ta, Got ta, Gotta feel it right now.

(Repeat Chorus 2x)

Sweet Deliverance

God of Hope and Love

Good morning to You, Jesus.
Will you have Your way
With my mind and heart, Lord,
As I start my day?

As an offering, I bring You
A simple song of praise.
I think of all You've done for me,
Upon this day You've made.

Chorus

I will search for You. (I will, I will search for You)
I will honor You. (I will, I will honor You)
I will worship You, (Yes, I will worship You)
The God of Hope and Love. (Yeah, The God of Hope and Love)

As I open up my eyes, Lord.
You put a smile upon my face,
And the toils of life the day before,
I know You have erased.

No one knows me like You, Jesus.
As I feel Your warm embrace,
I'll be thanking You forever
For giving me Your grace.

Chorus

And I will search for You. (I will, I will search for You)
I will honor You. (I will, I will honor You)
And I will worship You, (Yes, I will worship You)
The God of Hope, The God of Hope,

And I will search for You. (I will, I will search for You)
I will honor You. (I will, I will honor You)
And I will worship You, (Yes, I will worship You)
The God of Hope and Love.
The God of Hope and Love.
The God of Hope and Love. (Yeah, The God of Hope and Love)

The Only Way

I never really had someone I confided in.
I couldn't find a trusting soul, couldn't find a friend.
But, I don't mind if He's gonna be the only one.
I'm gonna put my trust in God's only son.

Now, sing it with me.

[Chorus]

Jesus, He's the only way,
Oh, with Jesus, everything's O.K.
He is Jesus, now I've got to say
Oh, it's Jesus. He's the only way.

Pickin' up the pieces of a broken heart.
I tried to find some piece of mind, find a place to start.
But every drop of my searchn' left me high and dry,
Until I started searchn' for my home on high.

Oh, sing it with me.

(repeat chorus)

I'm gonna praise Him in the morning
I'm gonna praise Him in the afternoon
I'm gonna praise Him in the evening, yeah
I'm gonna praise with all I am!

I never really had someone I confided in.
I couldn't find a trusting soul, couldn't find a friend.
But, I don't mind if He's gonna be the only one.
I'm gonna put my trust in God's only son.

Now sing it with me

(repeat chorus)

He is Jesus, yeah, He's the only way.

We Sing Holy

As we gather here to worship,
We will give our hearts to Jesus who's the living King.
He is worthy of our worship.
We will sing a song of praise.

[Chorus]

We sing Holy, Holy
(We sing) Holy is the Lord,
We sing Holy, Holy
(We sing) Holy is the Lord

And we will praise Him, (We will praise Him, We will praise Him)
We will sing a song of praise (We will sing a song of praise)
And we will praise Him (We will praise Him, We will praise Him)
We will sing a song of praise. (We will sing a -- we will sing a song of praise)

When we gather there in Heaven,
We will sing a new song to the God of Majesty.
As we humbly kneel in worship,
We will sing a song of praise

Chorus

(We sing) Holy is the Lord,
We sing Holy, Holy
(We sing) Holy is the Lord
We sing Holy, Holy
(We sing) Holy is the Lord

And we will praise Him, (We will praise Him, We will praise Him)

We will sing a song of praise. (We will sing a -- we will sing a song of praise)
We will sing a song of praise. (We will sing a song of praise)

I Need You

Turnin' the pages of the life I led, I bent a few,
Never relyn' on what others said, to get me through.
Drawn' the straw that broke the camel's back, a time or two.
Full of the dreams of everything I lacked, that never ever came true.

Chorus

I...I need you
Oh yes, I do Lord,
Cuz I...(I need you) I need you.

You've got a friend in Jesus, He has been there to carry you through
He promised He'll never leave you alone, and our God is faithful and true, yeah.

Come on and worship the Messiah,
Come on and worship the King of Kings.
Come on and worship the Redeemer,
Sovereign ruler of everything.

Come on and worship the Messiah,
Come on and worship the King of Kings.
Are you ready to worship the Redeemer,
Sovereign ruler of everything.

Chorus

I...I need you
Oh yes, I do Lord,
Cuz I...I need you.
Holy Spirit, I need you

Lookin' back on my past and the sin in my life, I found good news,
Once for all, on the cross, Jesus paid the cost, and I can't lose.

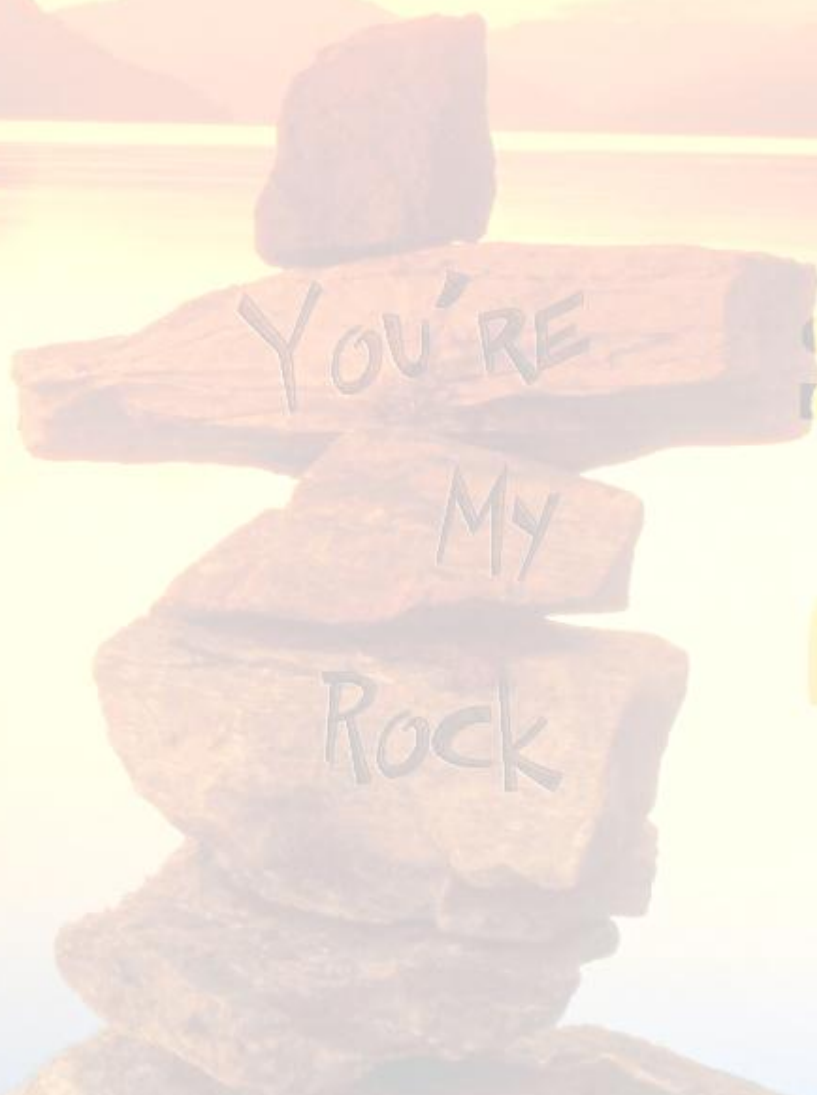

Come on and worship the Messiah,
Come on and worship the King of Kings.
I'm here to worship the Redeemer,
Sovereign ruler of everything.

You've got a friend in Jesus; He has been there to carry you through
He promised He'll never leave you alone, and our God is faithful and true, yeah.
Yes our God is faithful and true, yeah.

Come on and worship the Messiah,
Come on and worship the King of Kings.
Now, Now, come on and worship the Redeemer,
Sovereign ruler of everything.

Chorus

Cuz I...I need you
Cuz I need you Lord,
Cuz I...I need you
Cuz I need you

Broken Heart

Only you alone can heal this broken heart

I am weary Lord,
I am weak,
Falling from your grace the darkness I have seen

Not on my own will I learn to grow;
But, with Jesus, anywhere I long to go.

Chorus 1

I will lift my hands and praise the name of Jesus
I will lift my hands and praise His Holy name.
I will lift my hands and praise the name of Jesus.
Only you alone can heal this broken heart

I am weary Lord,
I am weak,
Standing in your grace from darkness I am free

Not on my own will I learn to grow;
But, with Jesus, anywhere I long to go.

Chorus 2

I will lift my hands and praise the name of Jesus
I will lift my hands and praise His Holy name.
I will lift my hands and praise the name of Jesus.
Only you alone can heal
Only you alone can feel
Only you my Lord can heal, this broken heart
This broken heart

(Repeat Chorus 2)

This broken heart
This broken heart
This broken heart
